

NED UNIVERSITY OF ENGINEERING & TECHNOLOGY
MECHANICAL ENGINEERING DEPARTMENT

PRESENTS

Entrepreneurship Scope

17th March 2023 | 10:00 AM - 12:00 PM | Mechanical AV Hall

Engr. Mohammad Abbas Sajid is a successful entrepreneur and a leading mechanical engineer in Pakistan. He graduated with a degree in Mechanical Engineering from NED University in 1983 and later went on to complete a Management Program for Executives in Business Administration from the University of Pittsburgh, USA. He established his own organization in 1984, Engineering Services, which is one of the top mechanical engineering firms in Pakistan providing HVAC, mechanical, plumbing, fire fighting, and industrial engineering services. He is a founding member of ASHRAE Pakistan Chapter and has served in various committees, as well as the President of ASHRAE Pakistan Chapter. He has also received numerous awards for his outstanding services and contributions to the HVAC field. He has played a significant role in promoting University-Industry liaison and is a great supporter of NED University. He is a senior member and former President of the Pakistan HVACR Society. Mr. Abbas received the Life Time Achievement Award for his exceptional contributions in disseminating technical knowledge and services to the Society.

Conducted by Abbas Sajid (Founder, Engineering Services Pvt. Ltd.), on “**Entrepreneurship Scope**”, Friday, 17th March 2023, arranged by the Department of Mechanical Engineering, Main Campus NED University.
