Muhammad Ismail

Consultant (Quality Assurance Division)

NO. 1-114/2016/QAD-NOC/HEC/NEDUET/

Dated: October 09, 2017 395

Subject: NOC prior to launching of Master of Engineering in Renewable Energy.

Dear Sir,

Kindly refer to earlier correspondence on the subject cited above. I am pleased to share that on the basis of information provided by the NED University of Engineering & Technology Karachi that Master of Engineering in Renewable Energy is in line with HEC Minimum Criteria for Admission in MS/MPhil and PhD Program and award of degrees. Therefore, HEC has no objection on start of Master of Engineering in Renewable Energy w.e.f Fall, 2014 by the NED University of Engineering & Technology, Karachi.

It may be re-iterated that, besides other requisites, the minimum requirement to launch and continue conducting an MS/MPhil/MBA/Equivalent program and a PhD program is to have a minimum two and three relevant PhD faculty members, respectively, at all times. However, HEIs are requested to have appropriate student-teacher ratio in view of the research thesis supervision.

Further, HEC QA policies defined in MS/MPhil & PhD criteria and notified from time to time will also be applicable in said program. Moreover, HEC reserves the right to withdraw the NOC in case it finds that University is unable to demonstrate its ability and commitment to meet the HEC minimum criteria for admissions, Curriculum, faculty, scheme of studies and semester guidelines etc.

With kind regard,

Mubashir

NO. 1-114/2016/QAD-NOC/HEC/NEDUET/ //

Dated: November 06, 2017

Subject: NOC prior to launching of Master of Engineering Energy & Plant Management.

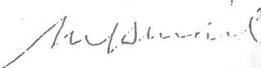

Dear Sir,

Kindly refer to earlier correspondence on the subject cited above. I am pleased to share that on the basis of information provided by the NED University of Engineering & Technology Karachi that Master of Engineering Energy & Plant Management is in line with HEC Minimum Criteria for Admission in MS/MPhil and PhD Program and award of degrees. Therefore, HEC has no objection on start of Master of Engineering Energy & Plant Management w.e.f 20.07.2017 by the NED University of Engineering & Technology, Karachi.

It may be re-iterated that, besides other requisites, the minimum requirement to launch and continue conducting an MS/MPhil/MBA/Equivalent program and a PhD program is to have a minimum two and three relevant PhD faculty members, respectively, at all times. However, HEIs are requested to have appropriate student-teacher ratio in view of the research thesis supervision.

Further, HEC QA policies defined in MS/MPhil & PhD criteria and notified from time to time will also be applicable in said program. Moreover, HEC reserves the right to withdraw the NOC in case it finds that University is unable to demonstrate its ability and commitment to meet the HEC minimum criteria for admissions, Curriculum, faculty, scheme of studies and semester guidelines etc.

Aqeel Akhter Khan

Director (Quality Assurance Division)

No. 1-114/2017/QAD-NOC/HEC/NED/

Date: December 16, 2019

Subject: Correction in Nomenclature of Issued NOC by the HEC

Reference is made to HEC letter No. 1-114/2016/QAD-NOC/HEC/NEDUET/115 dated November 06, 2017 on the above cited subject. The nomenclature of the degree program was not written correctly due to typographical error, hence the nomenclature for issued HEC NOC may be read as **MEM (Energy & Plant Management)**.

With kind regards,

(Aqeel Akhter Khan)
