

# Masood Ahmed Khan

<b>Designation</b>	Assistant Professor, Department of Mechanical Engineering.
<b>Room No . / Extension</b>	Fluid Mechanics Laboratory.
<b>E-mail</b>	<a href="mailto:mk13002001@hotmail.com">mk13002001@hotmail.com</a>
<b>Objective</b>	To acquire a responsible position in a highly reputed institute in order to fully utilize my knowledge of Computer Science & Mechanical Engineering in the best effective manner for the profitability and growth of the institute.
<b>Academic Career</b>	M.Engineering ( Manufacturing).  M.Sc. (Computer Science), from NED University of Engineering & Technology, Karachi, 2001.  B.E. (Mechanical Engineering), from NED University of Engineering & Technology, Karachi, 1997.
<b>Industrial Experience</b>	Working as a Laboratory Engineer in Fluid Mechanics lab of Mechanical Engineering Department having operational and maintenance experience on hydraulic turbines, flow measuring devices and pumps.
<b>Teaching Experience</b>	Teaching Fluid Mechanics & Basic Mechanical Engineering Courses & conducting practical classes in the fluid mechanics laboratory of mechanical engineering department.
<b>Professional Memberships</b>	Pakistan Engineering Council. Registration # MECH / 18035.
<b>Teaching Interest</b>	Thermodynamics & Fluid Mechanics.
<b>Research Interest</b>	Manufacturing & Fluid Mechanics.
