

SOHAIL HASNAIN

Sohailhasnain69@gmail.com

OBJECTIVE

To acquire a responsible position in a highly reputed institute in order to fully utilize my knowledge Mechanical Engineering.

EDUCATION

2011	M.E. (Manufacturing Engineering)	CGPA 3.10 N.E.D. University of Engg. & Tech.
1998	B.E.(Mechanical)	Passed with 2 nd Division, N.E.D. University of Engg. & Tech.
1988	HSC	Passed with ' A ' Grade (72%), Govt. Dehli College
1985	SSC	Passed with ' A ' Grade (77%), Govt. Dehli School

EXPERIENCE

Mar 2018-ONWARDS

NED UNIVERSITY OF ENG. AND TECH.

Working as a Lecturer in Mechanical Engineering department and conducting Labs of:

1. Statics (First year)
2. Engineering Mechanics(First Year) .
3. Dynamics(second year)
4. Mechanical Vibrations (third year).

Oct 1999-Mar 2018

NED UNIVERSITY OF ENG. AND TECH.

Working as a Lab Engineer in Mechanical Engineering department and conducting Labs of:

5. Statics (First year)
6. Engineering Mechanics(First Year) .
7. Dynamics(second year)
8. Mechanical Vibrations (third year).

Aril 1998-Oct 1999

Air Control Engineering

Worked as a design and balancing engineer responsible for the tasks mentioned:

- Designing of cooling towers
- Dust collectors
- Axial fans
- Dynamic balancing of axial fans for different industries

COMPUTER LITERACY

- Ansys
- AutoCAD
- MS Project

- C
- MS Office

FINAL YEAR PROJECT

Design of activated carbon plant using coconut shell as a raw material.

RECENT RESEARCH AREA

- Finite Element Analysis.
- Modal analysis of elastic structures.
- Dynamic Balancing of Elastic rotors.
